

Ohio's Good Samaritan Opioid Laws Customization Toolkit Guidance

Welcome and thank you for using Ohio's Good Samaritan Opioid Laws Customization Toolkit. This brief introduction was designed to guide you through using these resources effectively. The Toolkit PDF found under number 2 on resources listed below should be used like an instruction manual, and will guide you through the use and customization of all of the materials. The goal of this initiative is to increase awareness of Ohio's opioid-specific Good Samaritan Laws, and to help achieve this goal on this flash drive you will find customizable campaign materials, videos and social media posts. All materials were graciously supported through funding from the Ohio Department of Mental Health and Addiction Services and Ohio's SPF Rx, a SAMHSA funded initiative.
